

Domaine De Morgard

dreambreaks

Believe us when we say it's Unbelievable!

This venue is the epitome of modern Carp angling holidays: a 12 acre lake, full of big fish ... But there is more, five fantastic bungalows are also provided as part of the holiday package, all set beside this amazing lake. Fish from your garden if you chose to do so!

Each bungalow has its own kitchen, bedrooms, bathroom, toilet, dining table and chairs, TV, fireplace, fridge etc... and is ideally suited for anglers or family alike. On the terrace, you will also find a table, chairs, and even sun loungers!

These superb holiday homes, scenery and settings are out of this world and must be seen to be believed, likewise, the quality of the carp fishing with fish to 62 lbs!

Five 50's for one angler, countless big fish, the list goes on ... This is one of DreamBreaks premier venues and demand is already high.

“Solar Tackle” supremo Martin Locke, a recent guest, summed it up perfectly:

“5 star fishing, 5 star accommodations and 5 star host!”

If you fancy a rest from your rods, you can enjoy a game of tennis on the on-site court. You could maybe go and visit one of the many “Chateaux” or museums the region has to offer, try some of the regional cuisine in

one of the local restaurants or even go horse riding for the afternoon. For budding artists, painting tuition is also available at the studio only a few hundred yards away at the cost of 75 euros for 3 afternoons.

This venue has all the ingredients for an incredible fishing holiday experience. There are only a few places available so book early to avoid disappointment.
