The Riverview Motel, Waddington, NY, USA

Following the extraordinary holiday report by fishing guru, Leon Hoogendijk in International Carper magazine, DreamBreaks are delighted to introduce you to the mighty St. Lawrence River Fishing Experience as sole UK agents for the Riverview Motel, NY, USA.

Leon spent 10 days in the US and only totalled 100 hours fishing. But, along with David Tartaglione, managed an awesome 400 fish catch with carp well into the 40's. At an average rate of 4 fish an hour, Leon described his trip as "one

of the nicest carp fishing experiences I've ever had" with "loads of action every day, catching the hardest-fighting carp you can dream of". These fish display "tremendous power" and some are "just unstoppable... taking over 50 yards during their first run!"

Now you too, can share in the ultimate St. Lawrence River Fishing Experience with a fly-drive trip to The Riverview Motel, where Peter & Rob Henwood will guarantee you a warm welcome. Peter & Rob, of Essex based Specialist Tackle – one of the UK's largest carp tackle stores, recently acquired this outstanding venue, with views of the St. Lawrence right outside your window. On offer are big fish, huge catches and fun filled carp action in addition to clean, modern, comfortable accommodation, an onsite tackle shop, and a quality personal service created to make your trip an enjoyable, arm-aching holiday of a lifetime... and only a few hours from Niagara Falls too!
