## Étang Caché (4½ acre)

Imagine a beautiful tranquil 250 year old pool in lush green surroundings with carp averaging around 40lb including fish over 50 lb in a hidden paradise that have lived and continued to grow in their home for years.

### Swims:

The lake is English owned and has been since 2007. Rather than hacking out swims all over the lake they have been carefully positioned so that there are 2 x double swims which allow you to cover all of the lake between them. As well as these two double swims there is also a single swim and even a small stalking swim if you really want to get up close and personal.

### Facilities:

Facilities at present include a flushing toilet, wash basins and a hot shower, plus a 3 and a bit sided timber lodge 'bush kitchen'. Electricity for recharging telephones, cameras and the like is provided by solar panels.

Quality bait can be purchased on site.
